25X1A 4. [REDACTED] described the results of the meeting held at HTA to discuss the problem of preparing town plans using TALENT information. It was apparent from the meeting that all agencies were interested in the problem, but that their needs, both as to security and content, were widely different. Each of the Services was asked to designate not more than two representatives to meet further with [REDACTED] for detailed working-level discussions of the problem.
